May 2025	QC Revision Team to meet to review feedback from ISPAG, ISP Consultants, Past IC Members, prepare final draft of new/revised Criteria and Guidance for presentation to the Commission.
May 2025	Commission reviews final draft and recommends new Criteria & Guidance, to be known as "Quality Criteria 2026."
June 2025 Board Meeting	Board reviews and approves new Criteria & Guidance, to be known as "Quality Criteria 2026." "Quality Criteria 2026" released following Board Meeting with implementation/effective date July 1, 2026. Allows 12 months between release of new Criteria and their implementation.

	New rubrics to support "Quality Criteria 2026" released. All schools submitting "Letters of Intent" after June 2025 must use new rubrics. Schools with evaluation visits in Spring 2026 will be evaluated against 2012 Quality Criteria.
July 1, 2026	Implementation of new Criteria, known as "**Quality Criteria 2026"** announced via Report of Proceedings. "Dear Dean" letter to request from each certified program a Readiness Response to "Quality Criteria 2026" based on the four or five most significant changes between "Quality Criteria 2012" and "Quality Criteria 2026." (Programs with evaluation visits in Fall 2026 exempt from this request as they will address the full new Criteria in their self-studies for Fall 2026 visits.)
November 2026	Commission reviews all Readiness Reports and recommends to Board appropriate action on each report.
January 2027 Board Meeting	Board reviews all Readiness Reports and Commission recommendations and takes appropriate action on each report.
